**TERM 4, 2021/2022**

## A NOTE FROM THE PRINCIPAL

It's the time of year when we are beginning to welcome new families who have selected May Park as their school of choice for September 2022. Each child will receive a special message from us and we are hosting an additional open morning on **Thursday 28<sup>th</sup> April**, between **9am-11am**. To register, please follow the link:

<https://www.maypark.bristol.sch.uk/welcome/open-events>

Nursery places also available for September 2022.

**Curriculum newsletters** are out! They are ordinarily available on the school website, under the **LEARNING - CURRICULUM YEAR GROUPS** tabs. However, parents have requested them more directly, so we will also add them to Class Dojo.

Our **library** is continuing to grow and develop with the welcome addition of pupil librarians to our support team, following a robust shortlisting and interviewing process. Also, the holy month of Ramadan gave us an opportunity to purchase some lovely new books that celebrate Muslim culture and explore Islam, as well as donations of pre-loved books for others to enjoy.

We are humbled to receive a generous £2,000 donation from Ken and Ruth Campbell who have supported our Breakfast club provision for many years. They feel that it's needed more than ever. A heart-felt thank you to them and to everyone who has donated to enable others to go on trips, supported our PTA fundraising activities and bought a red nose for Comic Relief, raising over £600.

**Eid ul Fitr** will begin on Monday and finish on Tuesday. Unfortunately, we are only able to authorise one day of absence, according to the attendance rules set by the government.

Other important and exciting things to mention for this term: we are supporting our Y2 and Y6 pupils with their SATS assessments and we have French students visiting, giving more of our children the opportunity to learn another language.

## STAFFING NEWS

We would like to welcome back Miss Drever after a bereavement. She will be joining Rome class in Y2 for the rest of the year and Mrs Mitchell will remain with Kingston class in Y4. We wish Miss Richards well with the birth of her baby and her future plans.

We would like to also welcome Gill Knight as School Site Supervisor. She will be working with Mr Omar, our caretaker, Miss Williams and the cleaning team to ensure that the school is clean and in tip-top shape. For all her recent support during the pandemic, Glen Cleaning awarded her a Local Hero Award for, “exceptional supervisory skills and going above and beyond on a daily basis”. Please say hello if you see them and let us know how the school is looking!

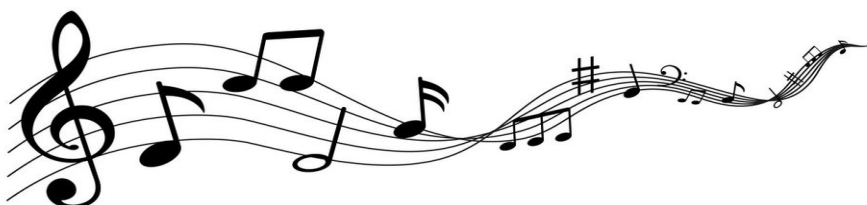

We also welcome Miss Fisher and say goodbye and good luck to Ms Islam from our SMSA team.

## YEAR 5 TREE PLANTING

‘When we planted trees, Mr Fey’s friend - John - came to teach us how to plant trees. First, we put the shovel in the dirt and put all his weight on it. Then, he wiggled the shovel so that the dirt would come out. And next, he saw if the tree’s roots would fit in the hole. After that, he put all the soil back so that it grows properly. Lastly, he got a green pole that would protect any insects or animals aiming near it. Rihaam and I planted all the trees once, so 5 trees altogether, and we named them.’ By Ashi

Thank you to the One Tree Per Child Project and volunteers from Nomensa who supported our children on the day.

## AWESOME ALONSO!

Alonso Dawson from Ottawa Class (Y4) has done something amazing. After hearing about the terrible war in Ukraine, he decided to do something to help. He wanted to help his Ukrainian neighbours' relatives and the other people there in need because of the terrible events there. He decided to do a sponsored bike ride and rode more than 13 miles! Not only that, but Alonso had been hard at work getting sponsors from as many people as possible. ***This great chap raised a whopping £600+!*** How good is that? He should feel very proud of his achievement. His parents did a great job of supporting him too. What a guy! Mr Ford

## Meet Your Educational Mental Health Practitioner (EMHP)...

### Remick

Hi I'm Remick from the Mental Health Support Team. I'll be working at your school each week, say hello next time you see me!

### What is MHST?

The Mental Health Support Team (MHST) is here to help your school to develop ways to look after the mental health of its students, staff, parents and carers.

Our EMHPs do this by supporting your school to understand what you need, providing staff training and offering lessons on well-being. Our EMHPs are also trained to give 1-1 support to students on anxiety, low mood and other struggles with wellbeing.

Our logo is an otter because, like otters, we work as part of a team and we use tools! Some of our favourite tools are self-care, challenging negative thoughts, problem-solving and managing worries. We want to share these tools with you so that you can look after your own wellbeing and build your resilience.
